NEW MEMBER INFORMATION

from Miss Erin, continued...

- Please send me a copy of your academic schedule as soon as possible. Thank you in advance! And, remember that the laundry company. creates a schedule that works for all members. The tentative Fall Schedule will be sent in another text, please take a moment and look it over; please let me know if there is a conflict!
- Service days are Mondays and Fridays. Members have the option of choosing one of our three options. No worries, you are able to change your Service Option, because laundry should not be stressful!
 - **Option One** - Monday-to-Friday works well for members who need a quick turnaround. Simply put, you will drop off your dirty laundry on Mondays and pick up your clean, perfectly folded laundry on Fridays.
 - **Option Two** - Monday-to-Monday works well for members who only want to think about laundry once a week; this option works especially well for my boys. Members who choose the Monday-to-Monday option will receive two full sets of supplies. Simply put, drop off your dirty laundry in one laundry bag AND also pick up your clean laundry in your other laundry bag - at the same time and on the same day each week.
 - **Option Three** - Friday-to-Friday works the same way as Monday-to-Monday, but on Fridays.
- Please text me your Service Option choice as soon as possible, so I can prep your supplies before your Supply Pick-Up!
- The **Rush Week Schedule** is completely independent of our regularly scheduled service and based solely on PNM's schedule that week.
 - Monday, August 10th and Thursday, August 13th
